

## **Pharmacy Residency - PGY2 Geriatrics Pharmacy Residency**

The Geriatrics Pharmacy Residency offers clinical experience on an inpatient Geriatric Evaluation and Management (GEM) Unit, geriatric outpatient clinics, the Community Living Center (CLC) and areas where geriatric patients are especially concentrated, and have specific needs. The resident will function as a member of the multidisciplinary geriatric care team during diverse patient care activities. Our goal is to promote individual growth, professional development, self-reliance, and responsibility.
